

MSAD # 30

Safety

Code: EBCF-R

The Board shall adopt a plan for immediate and long-term strategies to address school safety and discipline, which shall be reviewed annually and revised, as needed. This plan shall utilize information gathered from the District assessment of school safety and student discipline required by law and shall include the Board's code of acceptable behavior and discipline and a description of instructional placement options for threatening or violent students. The committee that develops the plan for Board consideration shall include at least one (1) representative from each school in the District, as well as representatives from the community as required by law.

The plan shall identify measures to be taken in protecting student, staff, visitors, and property. Areas addressed by the plan shall include, but not be limited to, the following:

1. Employment practices and employee management;
2. School facility design, maintenance, and usage;
3. Safety and security procedures, orientation and training in use and management of equipment and facilities;
4. Supervision of students;
5. Compliance with state and federal safety requirements;
6. Quarterly reports to the Board concerning implementation of the plan and its effects on District students, personnel, and operations.
7. Emergency/crisis intervention;
8. Community involvement.

PRECAUTIONS

Precautions will be taken for the safety of the students, employees, and visitors.

DEFIBRILLATORS

The District may maintain automatic external defibrillators (AED) in designated locations throughout the District. An AED shall be used in emergency situations warranting use in accordance with guidelines established by the Superintendent/designee. Only those individuals documented as having completed required training shall be authorized to use a defibrillator.

Defibrillators shall be maintained and tested in accordance with operational guidelines of the manufacturer and monitored as directed by the Superintendent/designee. Defibrillators shall be kept on school property and will not accompany EMS personnel to a hospital emergency room.

Adopted: April 25, 2006
