

M.S.A.D. #30  
SPECIAL USE OF SCHOOL BUSESSES

EEAD

The M.S.A.D. #30 Board of Directors recognizes that the primary purpose(s) of the bus fleet is to transport children from home to school and return, transport students to and from school-sponsored activities, and for school-sponsored field trips.

The M.S.A.D. #30 Board of Directors agrees that beyond the primary purpose(s) of the bus fleet, there will be community-sponsored activities that will occasionally need and request use of a district bus(ses) requiring specific policy guidelines that address such requests.

M.S.A.D. #30 school busses may be used by district community groups fitting the following guidelines.

1. District bus driver will drive. Payment of such drivers to be borne by the sponsoring group. Exceptions to district bus drivers driving will be approved by the Superintendent of Schools.
2. Fuel use will be paid by the sponsoring group.
3. Requests will be considered for youth groups only. Exceptions to the above will be considered by the Board of Directors directly.
